

# You Didn't Give Up On Me

By Rev. Milton Brunson and the Thompson Community Choir

## Verse:

*Solo:*

Just like a baby when he learns how to walk.

He may take a step or two, and begin to fall.

But, his mother reaches out her hand, and she lifts him up and she gives him another chance.

Because that mother had faith in him, he begins to stand.

Now, I was just like that baby, when he learned how to walk;

I had fallen down so many times that there was no one that I could call.

But Jesus, He reached out His hand, and lifted me up and He gave me another chance.

I love Him so much because He didn't give up on me.

## Chorus:

*(Choir w/Solo Ad lib)*

You didn't give up on me.

Though I failed You

You forgave me once again, again

You didn't give up on me.

You revived me

And You tried me once again

You tried me once again, again

## Bridge:

Lord, I thought that I was all alone

With no one there who really loved me

Oh, I knew that I was lost and I wanted to come home

But there was no one who could help me

No one could help me.

But then King Jesus, You reached out Your hand

And He lifted me up and gave me another chance.

I love Him so much because You didn't give up on me.

*(Choir w/Solo Ad lib)*

You gave me one more chance, one more chance

You proved You love me and You cared

And when my spirit was so weak

You gave me the power to succeed

You didn't give up on me.

You revived me

And You tried me once again

You tried me once again, again

You didn't give up

But You tried me once again

You didn't give up

But You tried me once again

You didn't give up

But You tried me once again
